Residence permit application for researchers

Use this form if you want to apply for a residence permit to work as a researcher in Sweden if you come from a country outside the EU/EEA and Switzerland. You should also use this form if you are in possession of a residence permit to conduct research in another EU Member State and wish to conduct part of your research in Sweden.

In order to work as a researcher in Sweden, you must also attach a separate hosting agreement signed by you and the research principal (institution, organisation, company, etc.) where you will be working.

The main rule is that you should apply for and have been granted a permit before entering Sweden. You can apply at www.migrationsverket.se or fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

You can find the hosting agreement form for visiting foreign researchers and further information at www.migrationsverket.se. At our webpage you can also read about when you do not need to apply for a residence permit to conduct research in Sweden. Please complete the form on your computer as this makes it easier for us to process the case.
